Introduction

Welcome to **LexDD**, a specialized governance, risk, and compliance consultancy dedicated to empowering cross-border business in Vietnam. Backed by a team of qualified lawyers and industry experts, we deliver tailored services in due diligence, regulatory compliance, governance consulting, and legal risk management. Our clients include international entities engaging with Vietnamese businesses, and Vietnamese companies expanding their global presence. With deep local insight and a strong global perspective, **LexDD** helps clients make informed, secure, and compliant business decisions in an increasingly complex regulatory landscape.

➔ Mission

Our mission is to deliver trusted, lawyer-backed governance, risk, and compliance solutions that enable businesses to operate confidently across borders. We support international companies working with Vietnamese entities and Vietnamese businesses expanding globally, offering tailored, cost-effective services that protect against legal, reputational, and operational risks while fostering growth.

➔ Vision

Our vision is to be the trusted legal and compliance partner for cross-border businesses connected to Vietnam, respected for our strategic expertise, client-first approach, and affordability. We aim to set new standards in compliance excellence by making high-quality legal support more accessible to businesses of all sizes, fostering secure international partnerships, and driving sustainable, responsible growth in the global marketplace.

Clients

We proudly serve a dynamic and diverse clientele, encompassing leading Vietnamese enterprises, global multinational corporations, and esteemed consulting firms, all united by our commitment to excellence and tailored solutions.

3M Company

An American multinational conglomerate operating in the fields of industry, worker safety, and consumer goods.

LexDD is honored to have served 3M Company since 2019, delivering tailored solutions in due diligence, risk and compliance advisory, contract and corporate legal services, document translation and localization, and training and capacity building.

Cascade Asia Advisors

A leading Asia-focused investigative research firm, delivering deep-dive insights to facilitate transactions and vet business partners across the region.

Since 2019, LexDD has collaborated with Cascade Asia to provide due diligence services for individuals and businesses in Southeast Asia, particularly in Vietnam.

Tokyo Chemical Industry

A Japanese manufacturer of chemicals for research and development, with reagents for chemistry, life science, materials science, and analytical chemistry.

Since 2020, LexDD has expertly supported Tokyo Chemical Industry, delivering precise English-to-Vietnamese translations of technical documents, including MSDS and SDS, with our specialized team ensuring flawless compliance and earning steadfast client trust.

Thanh Cong Textile Garment Investment Trading JSC

A leading Vietnamese textile and garment company with a vertically integrated production system.

Since 2022, LexDD has provided Thanh Cong with comprehensive due diligence, background verification, and risk & compliance advisory services, enabling critical insights into international partners and effective mitigation of risks such as sanctions, money laundering, corruption, bribery, and terrorism financing in global transactions.
